

Patch cords CAT6 U/UTP PVC 5 m blue
GGM CAT65MB

Screening: U/UTP Category: Category 6 U/UTP Complies to standards: ANSI/TIA/EIA-568-B.2-1 ISO/IEC 11801 2nd edition EN50173-1 Sheath colour: Blue Frequency range: from 0 to 250 MHz Impedance characteristics: 100 ohms Additional information 1: LSZH version: Fire resistance LSZH IEEC 60332-3 Gauge: AWG 24 Length: 5m Sleeve: Overmolded non-protruding sleeves with device for protecting plastic clip. Sheath material: PVC or LSZH Conductor material: Multistrand copper Type of cabling: T568A/B Type of connection: RJ45

- Shield type : U/UTP
- Category : 6
- Length : 5 m
- Connector A : RJ45 8(8)
- Connector B : RJ45 8(8)
- Jacket colour : Blue
- Boot : Moulded-on
- Snagless : Yes
- Boot colour : Blue
- Fire retardant : No
- Zero halogen : No
- Oil resistant : No
- Number of pairs : 1x4
- AWG : 24
- Wire scheme : Straight
- NVP : 67 %
