

Video surveillance kit 5MP 2 dome cameras + 1 4 Channel PoE NVR + 1 Tb HDD

GGM KITIP24C5MP

This solution allows you to take the first steps in video surveillance. The kit comprises a 4 channel PoE recorder with integral 1Tb hard disk. It is delivered with 2 5MP tube cameras with 2.8mm lens and an IR of 20 m. You can add 2 additional cameras, part of the GIGAMEDIA (IPC) range. The intuitive interface allows rapid understanding of the product and its configurations is done in less than 10 minutes. With the GGM VIEW application, you can watch the recording remotely on your smartphone. Guid-Handbook Eng

Product features

- Installation : Interior Exterior

Article features

- Number of Digital input : 0
- Continuous recording : 40mbps
- Power Consumption : 7w
- Form factor : Tube
- Format : Desktop
- Infrared lighting distance (m) : 20
- Intelligent analysis functions supported : No
- Max recording resolution : 8mp (4k)
- Number of channels : 4
- Number of frames/sec. : 15
- HDD slots : 1 (1 Tb included)
- Operating temperature range : From -30 to 55°C
- Ethernet RJ45 LAN Port : 4 x 100mbps poe
- Ethernet RJ45 WAN Port : 1 x 1000mbps
- IP Protection : IP66
- Resolution : 5mp (2542 x 1944)(2592 x 1944)
- Sensitivity : 0.05 lx
- Power supply : 12 vdc
- Type of sensor : 1/2.7 progressive cmos sc5035
- Video compression : H.265 and H.264
- Wdr (wide dynamic range) : No
- Weight (kg) : 3.3

ETIM 9 features

- Number of cameras : 2
- With IR lamp : Yes
- Property picture system : Colour

- Number of pixels (Megapixel) : 5
- Integrated power-supply for cameras : No
- Transmission technique : TCP/IP
- Wired camera connection : Yes
- Wireless camera connection : No
- Type of storage medium : Hard disc
- Max. number of video inputs : 4
- Compatible with Apple HomeKit : No
- Compatible with Google Assistant : No
- Compatible with Amazon Alexa : No
- IFTTT support available : No
